

Australian Council for Clinical Physiologists

Inaugural Annual General Meeting (in Conjunction with the Sleep DownUnder Conference)

Come along to find out more as to how the ACCP through the implementation of a voluntary self regulation model, will align our professional group with other Allied Health Professions, benefit Clinical Physiologists, the health services they work in, and most importantly the public. As well as begin a new era in recognition for the Clinical Physiology Profession

Date:

Wednesday **16 October** 2019

Venue:

Sydney International Convention Centre, Darling Harbour
Sydney

Room:

Meeting Room C2.5 Level 2
